RE: Andrews for Congress ID number C00243428

Dear Sir or Madam:

I am writing to inform you that I amended the Pre-primary report for the period 4/1/10-5/19/10. On April 2, 2010, I entered a contribution from Prudential PAC in the amount of \$3,000. I designated it for the general election but the contribution should have been designated for the primary election. I amended the report to correct the designation.

Please contact me if you need any additional information or if you need a copy of the check. I appreciate your diligence in assisting us with our compliance.

Very truly yours,  
Maureen Doherty  
Treasurer
